YEAR ROUND COTTAGE LESS THAN 2-MILES TO YORK BEACH sits this lovely updated home and is ready for your immediate occupancy. This home underwent many updates over the last few years including new windows, new roof and wood shingle siding. The property has been fully insulated including newly installed sheetrock. Open concept living-dining-kitchen boasts all new lighting, beautifully finished wide pine hardwood floors and has been freshly painted throughout. The large eat-in kitchen boasts butcher block counters, new cabinets and new appliances. Two bedrooms are located on the 1st floor (one has laundry hook-ups and could be potentially a laundry/mud room, if desired) and the third is a private loft-style bedroom on the 2nd level with new skylights and accessed by a full set of stairs. A mini-split was added on each floor and easily heats in the colder months and comfortably cools when it's hot. The bathroom was also redone to add more open space and offers today's modern amenities including a new stall shower. Large deck was added in 2013 offering additional outdoor space that's highly desirable in York's beautiful summer months. Sited on just under a 1/2 acre and mostly wooded, the privacy and location are what Maine living is all about! Other features include a whole house surround sound speaker system, UV water filtration system, extra closet for storage, storm doors, and an outdoor fire pit area. Only a few minutes
